Keys have come to be important devices that man uses each day in his life. Belton High School students, too, find keys to be of value. However, many of the keys that we students find most valuable are not the ones that enable us to start our cars and open our houses. The more important keys, instead are the ones that open the doors to the areas that help us constitute a well-rounded school: Excellence...the key to personalities, Friendship...the key to classes, Interest...the key to organization, Participation...the key to literary events, Teamwork...the key to sports, Understanding...the key to administration, and Co-operation...the key to advertisers. It is with these keys that BHS students live and work daily. To show the key to what Belton High School really is the Annual Staff presents the 1966 Lair.

Kenny Law

Brenda Thompson

Mr. B.H.S.

KENNY LAW, President of the Student Council, was paid the highest tribute by his classmates of Belton High by being elected Mr. B.H.S. for 1965-66. Among his other honors are class officer, class favorite, and captain of the football team. Kenny's outstanding personality adds to his numerous other assets.

Miss B.H.S.

BRENDA THOMPSON was chosen Miss B.H.S. for the 1965-66 school year by the students of Belton High School in February. Brenda has also been chosen class favorite, Miss Personality, class officer, and cheerleader. Brenda's friendly smile and spirit building ability make her a person to be admired by all.

Saluting: Travis Hitt

Most Outstanding Student

The Most Outstanding Student at Belton High School is selected each year on the basis of leadership, scholarship, and participation in school activities. Travis was elected for the 1965-66 school year by a secret ballot of the teachers. To young and old alike, Travis is a sincere and true friend. He does many things, but what sets him apart from most is the fact that he does them all well.

The foremost representative body of the students of B. H. S. is the Student Council. The members must uphold high standards academically and around the campus. The well-being of the school depends upon the effort of this organization. Another meeting, another set of meetings to be typed, people to be called, or agendas to be planned, and they feel they will be ready to call it quits, but somehow they never do. We are sincerely proud of our Student Council.

OFFICERS: AGUILAR, Secretary; LONG, Parliamentarian; BIRTCHET, Vice-President; ROGERS, Treasurer; LAW, President.

Members of the National Honor Society are those students who are outstanding in scholarship, leadership, service, and character. Only a small percentage of each class is chosen by the teachers each year to be honored with membership in this select group. An impressive ceremony initiates new members each year at an assembly of the student body. Membership in the National Honor Society is the highest honor which can be awarded to those whose grades are above average.

DR. TYSON gave an enjoyable speech at the Honor Society induction ceremonies on February 15, 1966.

"The Tiger" is a welcome sight to every student in Belton High School. Members of the Tiger staff are students in journalism who meet second period in Room 10. They perform a special service to the students since the newspaper is brought to them free of charge, paid for completely by money from advertising. The deadlines come, heads are written, the copy is set, and all is ready for the printer. Much work is put into each production of "The Tiger" and is appreciated by both students and teachers.

Lair Staff

SUSAN CASEY and LINDA SMITH, co-editors of the 1966 Lair, worked hard in meeting that last deadline.

After hours of hashing and rehashing, writing copy, and drawing pages, the annual staff finally emerges with a possession which preserves memories for years and years to come. The Lair Staff has fun despite its trying hours of hard work, and, if our book is well received, we have a pride in accomplishment which can never be taken away.

"RUSTY" RUSSELL has worked hard this year as business manager of the annual.

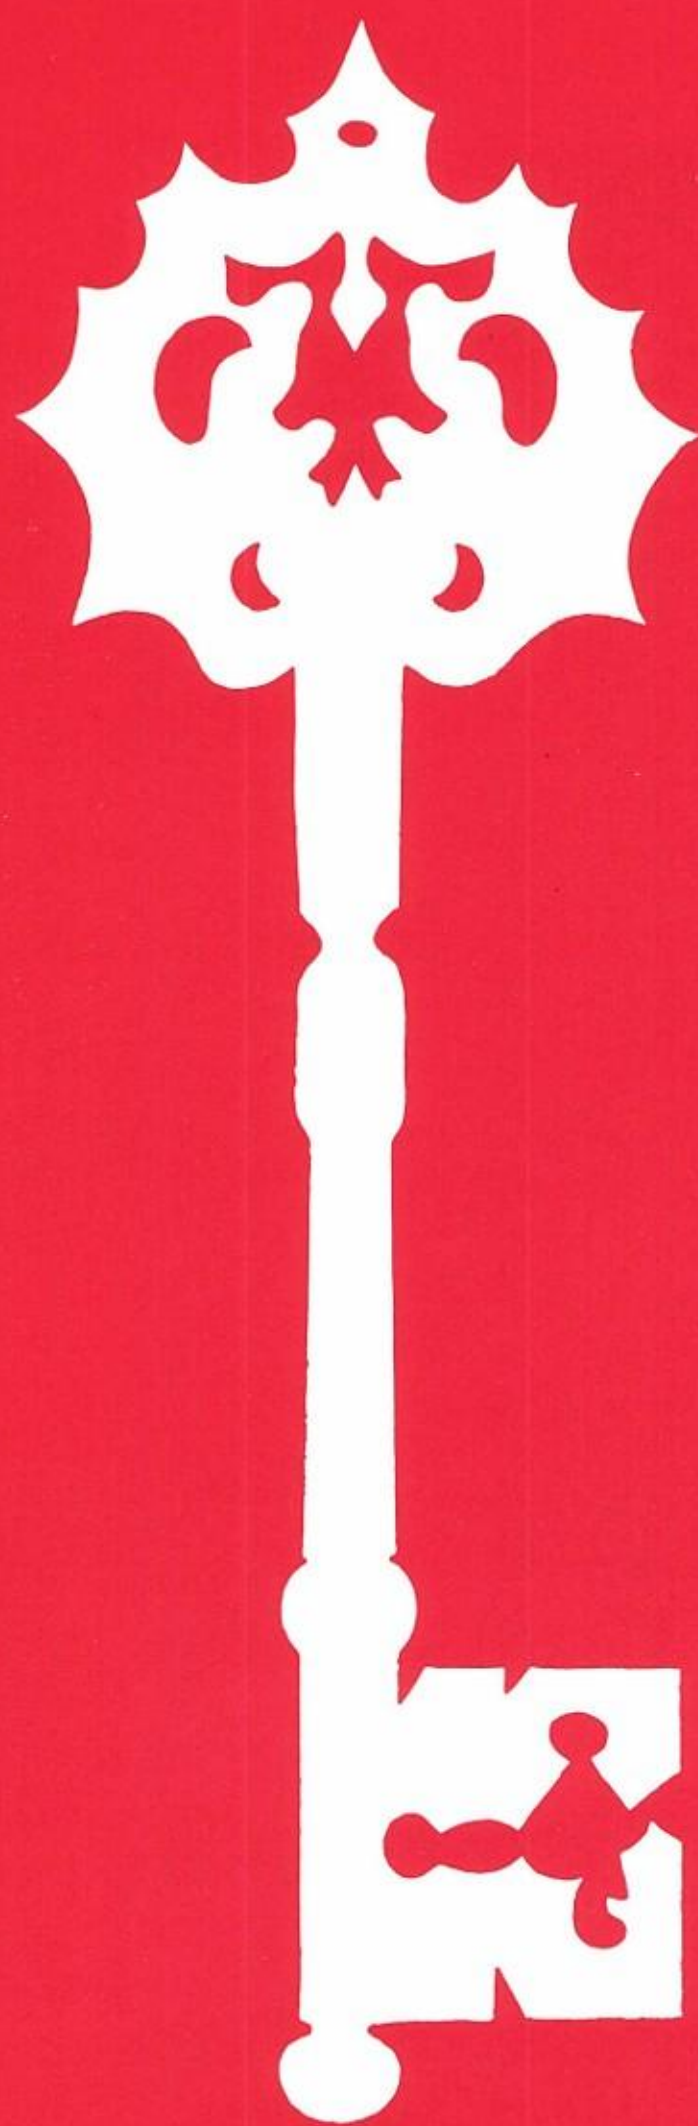

SUE WELCH and RANDY SHAW, Sports editors of the Lair, stayed busy finishing the sports pages.

Other members of the staff were MARY MINGHINI, LINDA HUMPHREY, DIANA BARKER, YVONNE MORGAN, CLAUDIA HAMRICK, NELIDA AGUILAR.

SCHOOL SONG

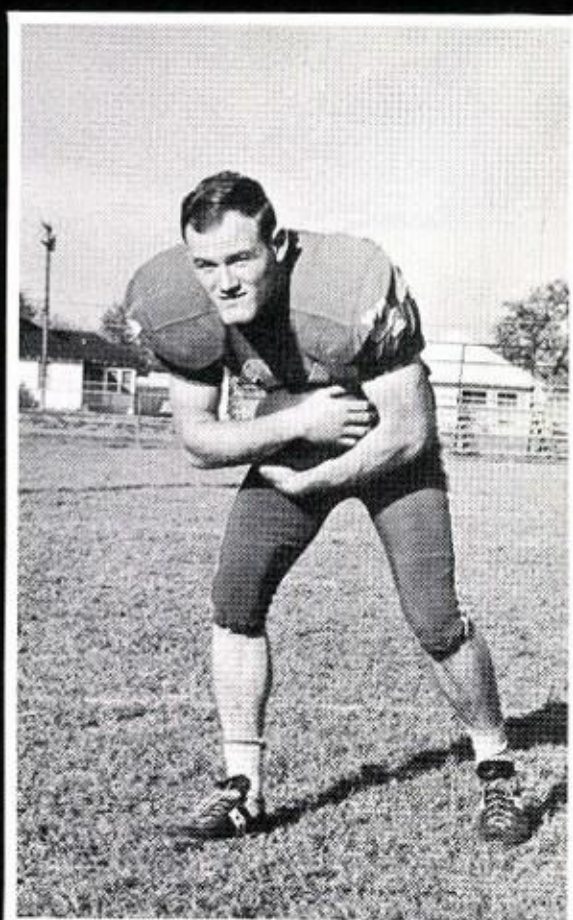

All hail to the Red and White boys
The colors we love so well,
Your loyal sons now salute you
As the songs on the breezes swell;
Then here's to the Red and White, boys
For you we will ever fight,
For the flag of our dear old high school win
The colors of Red and White.
